

Thank You Sammye Dunn and Barry Hudson

On Monday, April 6, Miss Lauren Cunningham's art history class from Fort Worth Country Day School visited FUMCFW for a tour of the exterior Gothic Revival architecture and the sanctuary. Sammye Dunn, Lay Ministry Chair, scheduled the tour with Miss Cunningham and Barry Hudson, Building Committee Chair, conducted the tour and shared with the students the history and beauty of our church. To show their appreciation, both the teacher and class sent thank you's — the class even designed the card they sent to Barry!

Dear Sammye,
Thank you so much for hosting my art history students and me at FUMC on April 6! We thoroughly enjoyed our visit, and the students really appreciated getting to see a Gothic-style building in person. I hope we may visit again next school year!

Thanks again for your generosity and hospitality!

Sincerely,

Lauren
